

**Plot No. A-1, Royal Compound, Kaman
Vasai, Palghar-401208 (MH)**

MATERIAL SAFETY DATA SHEET
BUFFER (MALARIA PAN+Pf Rapid Test)

CIN: U25190MH2012PLC238544

<p>1.Name of Manufacturer</p>	<p>Voxtur Bio Limited Plot No. A-1, Royal Compound, Kaman Vasai, Palghar-401208, Maharashtra, India E-mail: contact@voxturbio.com, Website: www.voxturbio.com Phone: +917276062202</p>
<p>2. Composition/Information on Ingredients</p>	<p>a) BSA : 0.1Grams b) Tween20 : 0.5 Mili Liter c) Water : 2.5 Mili Liter</p>
<p>3. Hazardous Identification</p>	<p>a) Appearance : Colourless b) Oodur : None c) Health Hazardous : N/A d) Carcinogenicity : N/A</p>
<p>4. First Aid Measures</p>	<p>a) Inhalation: N/A b) Ingestion : Wash out immediately that person consious. Immediately give several glasses of water. Obtain medical attention. c) Eye contact : Wash out with plenty of water. d) Skin contact : N/A</p>
<p>5. Fire Fighting Measures</p>	<p>a) Suitable Extinguishing media : Foam, Dry Chemical Powder, water spray, Carbon dioxid.</p>
<p>6. Accidental Release Measures</p>	<p>a) Personal Precautions : N/A b) Environmental Precautions: Do not disose into drains.</p>
<p>7. Handling and Storage</p>	<p>a) Storage Temperature : Room Temperature</p>
<p>8. Personal Protection</p>	<p>Not Required</p>

MATERIAL SAFETY DATA SHEET
BUFFER (MALARIA PAN+Pf)

CIN: U25190MH2012PLC238544

9. Physical and Chemical Properties	a) Appearance : Clear and colorless Liquid b) Flammability : N/A c) Odour : N/A d) Vapour Pressure : N/A e) Explosive Properties : N/A f) Relative Pressure : N/A g) Partition Coefficient : N/A
10. Stability and Reactivity	a) Chemical Stability : Stable under Normal Storage b) Condition to avoid : Avoid flame, Very high temperature
11. Toxicological Information	a) No applicable or available data for this section
12. Ecological Information	a) No applicable or available data for this section
13. Disposal Information	a) Observe your local or regional regulation for proper Disposal. If regulated , consult your local or regional Authority or a licensed professional waste management services.
14. Transport Information	a) Shipping: Transportation with room temperature. b) DOT: Non hazardous for transport. c) ADR/RID: Non hazardous for transport. d) IATA : Non hazardous for air transport.
15. Regulatory Information	a) Not Applicable
16. Other Information	a) Not Applicable
